

DRIVERS' CLASS ACTION – WINTER 2014  
WE NEED WINTER UNIFORM !

To the kind attention Ups Italy

We are employees of outsourced companies, who work for Your prestigious multination company. We are charged with the task of express parcels service.

We are your “public face”, we are those who bring the Ups brand to each customer’s home. We respect your rules, we dress in “brown”, we are Your “Browns”.

We have been asking for years to have enough uniforms of better quality. We can hardly have spare uniforms, so we have to continue wearing stained or torn uniforms. Often we have been blamed for wearing “unsuitable clothes”. It is essential to have enough uniforms for our HEALTH.

We need clothes which is suitable for winter, like [UPS fleece](#).

We request that all “Browns” in Italy must be in better condition to represent Your public face. We keep Your rules, but in suitable clothes to be proud of our job!
