**Oggetto:** RE: Solidarity from Italian trade union UPS to turkish employee

Hi Sam,

We have never received any information about the new "International solidarity" to Ups Turkey employees.

We are a little disappointed with our National Trade Union.

If you want to give us information directly we can do something better!

Sincerely yours,

Antonio Forlano

R.S.U. Ups Milano e Vimodrone (Italy)

*p.s. in attached you can read (if you want to translate) what we wrote to Trade Union and to Italian employees about what happen.*
